Adoption Contract For _____

To be completed during the adoption process.

DOG _____ CAT _____ OTHER _____ SEX: _____ DOB/AGE: _____

I hereby acknowledge receipt of the above-mentioned pet, in return for which I agree to be bound by and comply with all of the following terms and conditions of adoption:

- 1. I will provide proper and sufficient food, water, shelter and kind treatment for the pet at all times. Unacceptable treatment may include physical aggression toward the pet, chaining/tying out, emotional neglect, allowing a dog to ride unrestrained in an open vehicle, allowing a cat to roam outside, not giving veterinary care, shots, insect and parasite protection.
2. I will give this pet a permanent home for the remainder of its life. Should this become impossible, I agree to contact Safe Place regarding the future of this animal.
3. I will provide a balanced diet, exercise, identification and will license my pet as required by law, all at my own expense. I will not permit the pet to run at large, and I agree to immediately retrieve it, at my expense, from any animal shelter, should the pet run away. I will also search for it in all ways possible and notify Safe Place immediately.
4. I agree to never use this pet for fighting, animal vivisection or experimentation. I will not give or sell this pet to another organization, animal control or shelter/humane society.
5. My family members are in agreement concerning this adoption. Any children in the family will not hold primary responsibility for the pet and will be taught proper handling.
6. I agree that an agent of Safe Place may, at any reasonable time, see the pet, its home and quarters. If, in the sole discretion of the agent, the pet is not being properly treated or cared for, or provisions of this contract are violated, the agent may take possession of the pet. Such entry shall not constitute trespass on the premises.
7. I hereby accept the pet as is; assume all risk of ownership of the pet, including the risk of injury or damage caused by the pet. I understand that Safe Place places the pet with no warranty as to the physical condition or temperament of the pet and that I take pet as is with all defects, either observable or unobservable and assume full risk for the pet from the date of the signing of this contract.
8. I agree to assume all responsibility for the pet's actions after it is placed.
9. I agree to follow up training provided by Safe Place.

I acknowledge that I have read and fully understand the terms and conditions of this Adoption Contract and that I will comply with all the terms above.
